

Welcome! To better assist teams, the CSA team is using a system to open and track requests for help and respond to teams faster. There are multiple ways to engage the CSA team.

- ***Email / Trello:** firstmn.csa@gmail.com
 - * Subject: Team #, Event name, Language used for robot code.
 - * Body: Short description of the issue.
- **Slack:** firstmncsa.slack.com
- **Slack invite:** <https://goo.gl/3yZrJo>
- **Twitter:** @firstmncsa
- **Pit admin:** The pit admin might be able to radio for CSA assistance.
- Seek out anyone in an **orange hat**.
- * Available for year-round assistance

For all CSA engagements, please have a student familiar with the issue at your pit and ready to assist. If you need a CSA meet you at a location other than your pit, please note that in the request. For additional information, please see <http://mnfirst.org/local-assistance/>
